

EU Warranty

Home Warranty

Applies to equipment used exclusively in a private indoor home setting by home occupants.

- Lifetime (Frame)
- 3 years (Moving Parts)
- 6 months (Upholstery & Attachments)
- 6 months (Wearing Parts)

All products come standard with a home warranty. Use of home rated products in commercial settings voids the warranty.

Commercial Warranty

Applies to select equipment used in semi-private or public nonresidential facilities. Monthly fees may or may not be charged. Examples include: commercial gyms, firehouses, hotels, personal training studios, and apartment complexes.

- 5 years (Frame)
- 1 year (Moving Parts)
- 6 months (Upholstery & Attachments)
- 6 months (Wearing parts)

Use of commercial products in residential settings automatically activates the home warranty outlined above.
