1 GENERAL SAFETY INSTRUCTIONS

1.1 Personal Safety

⚠ DANGER

- + Before you start using the equipment, you should consult your physician if this type of exercise is suitable for you from a health perspective. Particularly affected are:
 - + People with a pacemaker or other medical devices that may cause electromagnetic interference.
 - + People with cardiovascular diseases.
 - + Pregnant women, people who are ill or people in poor physical condition.
 - + People suffering from osteoporosis, a vertebral fracture or other acute illnesses.
 - + People with an irregular curvature of the spine.
 - + People suffering from a perceptual disorder due to a peripheral circulatory disorder (e.g. diabetes).

⚠ WARNING

- + This equipment may not be used by children under the age of 14.
- + Children should not be allowed unsupervised access to the equipment.
- + People with disabilities must have a medical license and must be under strict observation when using the equipment.
- + The equipment is strictly for use by one person at a time.
- + Keep your hands, feet and other body parts, hair clothing, jewellery and other objects well clear of moving parts.
- + If you experience any unusual discomfort during use, do not use it any further. Contact your physician.

⚠ CAUTION

- + Only use the product in a relaxed position. Do not apply punctual pressure to any part of the body when the rollers are in motion.
- + This device is not a medical device. This device should never replace medical treatment.

▶ ATTENTION

- + Do not insert any objects of any kind into the openings of the device.
- + Do not place any heavy objects on the device.

1.2 Set-Up Place

⚠ WARNING

- + Do not place the equipment in main corridors or escape routes.

⚠ CAUTION

- + Choose the set-up place so that there is sufficient space around the product.

▶ ATTENTION

- + The device may only be used in a building and in sufficiently tempered and dry rooms (ambient temperatures between 10°C and 35°C). The equipment should not be used outdoors or in rooms with high humidity (over 70%) like swimming pools.

2 ASSEMBLY

These handles can be used variably with a variety of multi gyms, cages including a lat pull-down station and other strength equipment.

⚠ WARNING

- + Never attach several handles to one snap hook at the same time. Failure to do so may result in serious personal injury.
- + Only use the snap hooks included with your strength equipment to mount the handles. Failure to do so may result in serious personal injury.

⚠ CAUTION

- + Make sure that the snap hook is firmly attached to the handle, otherwise personal injury and/or damage to property may result.

3 HANDLE VARIANTS

The individual handles offer you the possibility to grip them in different ways. Depending on the type of grip, the muscles are used in different ways and thus offer a variable workout.

4 CARE, MAINTENANCE AND STORAGE

⚠ WARNING

The storage location should be chosen so that improper use by third parties or children can be prevented.

1. Clean the device with a dry soft cloth.
2. Store the device in the supplied carton in a dry environment.

5 WARRANTY INFORMATION

Training equipment from Taurus® is subject to strict quality control. However, if a fitness equipment purchased from us does not work perfectly, we take it very seriously and ask you to contact our customer service as indicated. We are happy to help you by phone via our service hotline.

Warranty claims are excluded in the event of damage caused by:

- + Misuse or improper handling
- + Environmental influences (humidity, overvoltage, dust, etc.)
- + Non-observance of the safety precautions applicable to the equipment
- + Non-observance of the operating instructions
- + Use of force (e.g. impact, shock, falling)
- + Interventions not carried out by the service address authorised by us
- + Unauthorised repair attempts

Warranty period

The warranty periods, shown on our web shop, begin on delivery of the fitness equipment. The respective warranty periods for your equipment can be found on the respective product page.

Please refer to the website of your Taurus® device for the exact warranty conditions.
